5. Giving Electronically Through Breeze

Breeze allows you to give offering to Grace One Church electronically. This means, you can enter and save your debit, credit card or banking information and how often and how much money you would like to donate. You can also choose which fund you would like your money to be used for. <u>The Giving information is private to you and no one else has access</u>.
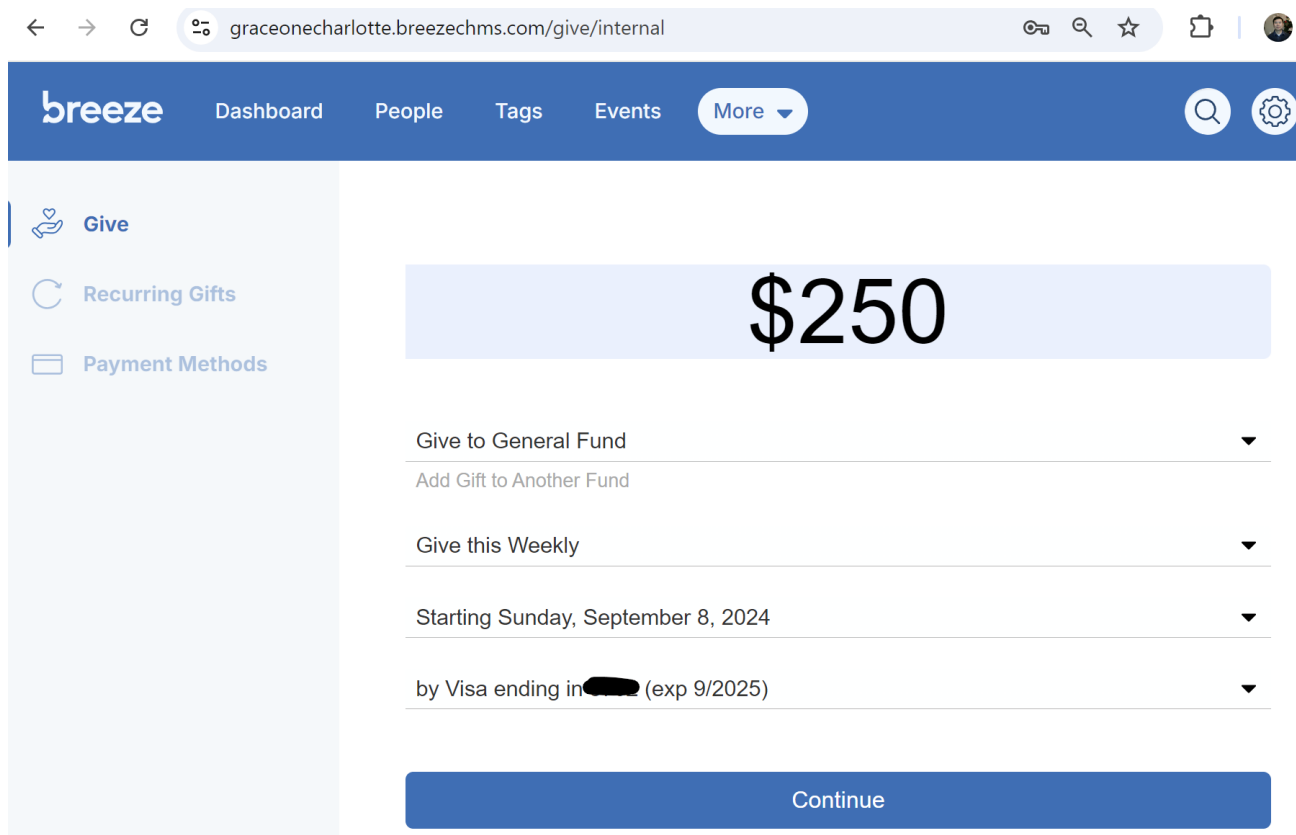

Step 1: Go to "Give Now"

Login to your Breeze account and locate and click on the "Give Now" button in the top right corner of the website.
Step 2: Fill out the donation form

You will be redirected to the giving page. Most of what you will see is very self-explanatory. However, there are a few fields on this site, you will want to pay close attention to.

You first will have to decide how much to give, and which Fund to give. Let's say you would like to gift $250 to General Fund every Sunday. You enter $250.00, and then choose from the first drop-down list to select "Give to General Fund", see below:

and then you would choose how often you would like to give to G1C. From the drop down list, you have the option to make a <u>one time gift</u>, to give <u>weekly</u>, <u>every 2 weeks</u>, <u>monthly</u>, or <u>yearly.</u> After you choose the frequency, you also need to select a starting date.

                                                    ntinue

Next, you will need to select a payment method. If this is your first time, you can add a new credit or debit card or link a bank account. Breeze will save your payment method for future use.

For example, if you choose to give by a new credit card, you will be asked to fill in the credit card information shown below:

Giving by credit card incurs 3+ percent processing fee. You can opt in to cover this processing fee by checking the box "Add $xxx to cover the processing fee", which will help the church to reduce the cost.
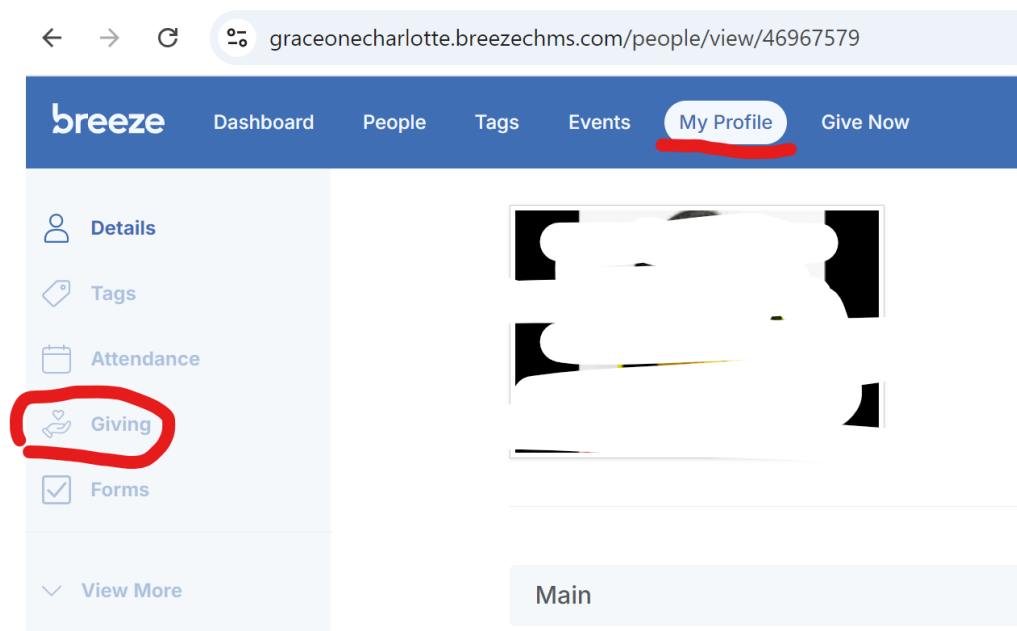

Finally, click the "Give $xxx" button to submit the payment.

If you would like to donate to more than one fund, simply repeat the entire process, and change the fund you would like to donate to.

If you have set up the recurring gifts, you can click on the button "Recurring Gifts" to review and to modify.

Step 3: Review Giving History

Click on "My Profile", and then click on "Giving" from the left column.

You will then be able to see your giving history either by yourself, or by your family.
